October Monthly Amendment (09/01/05-09/30/05)

Dear Katrina Senger,

The committee reviews its personnel's activities on a monthly basis. If an employee spends more than 25% of their time on federal activity, that employee's payroll is paid with federal funds.

During the month(s) in question, no employee spent more than 25 % of their time during that month on activities in connection with a federal election.
